PRESENT POSITIONS

President, Impact Funds, Spades SBC, Jakarta, Indonesia, 2020 –.

Founder & CEO, TSU Capital Canada Corporation, Toronto, Canada, 2011 –.

PROFESSIONAL SUMMARY

Spades is a global tree growing, reforestation and land rehabilitation platform based in the United States. We focus on natural sources of carbon capture and climate change mitigation. We are trying to plant a trillion trees!

I run the environmental impact funds. Identifying tree planting projects, mostly in frontier and emerging markets, and connecting those projects with sources of traditional, blended and sustainable finance.

We are highly engaged with the forestry, tree selection and finance academic community through our impact funds and intellectual property for land rehabilitation, water rights and carbon credits.
